675 COMMONWEALTH AVENUE, BOSTON, MA 02215

(617) 353-9361

August, 1989

The Archaeological Institute of America invites you to participate in the preparation of the *Archaeology Magazine 1990 Travel Guide* and/or the *Archaeological Fieldwork Opportunities Bulletin*. Your cooperation is appreciated. If you are not involved in a field project or training program, please pass this information on to another who may be interested in submitting an entry or let us know whom to contact.

### *Archaeology Magazine 1990 Travel Guide*

The *Guide* is compiled to enhance a traveler's vacation whether in the United States or abroad. This special feature in *Archaeology* is a listing of excavation or restored sites which may be visited and observed.

### *Archaeological Fieldwork Opportunities Bulletin*

The *Bulletin* will list field projects (with openings for volunteers and paid staff) and educational programs (field schools; study tours; museum internships; and courses in archaeological techniques, such as illustration or conservation).

We are enclosing two forms: one for a listing in *Archaeology* (deadline: see enclosed form for dates) to be used as a guide for travelers interested in visiting sites or museums; and one for the *Archaeological Fieldwork Opportunities Bulletin* (deadline: November 15, 1989) for individuals who wish to participate in a field project. If your project accepts both visitors and participants, please complete both forms (even if a question is duplicated) and return each form to the appropriate address.

We hope you will contribute to either or both of the above publication. This is a unique opportunity to publicize and to recruit volunteers and paid staff for your program. We look forward to hearing from you in the near future.
