Dear Sale

It was so good to hear from you and to know that your work at Perge and the work on the Apollo Temple are both going well.

I enclose a check to ~~pay~~ replace the one that never arrived. If it does show up please destroy it as there is only enough money in this account for the \$1,000.00

Toni wrote me that Almet needs \$7,660.00 to pay a phone bill. I don't know why it is so much as I paid my bill as I left in September. Could you check this for me and give Almet the money from this check if it is a proper bill.

We just had all the children and spouses and 13 of the 15 grandchildren here for Thanksgiving. Twenty five immediate family sat down to the feast. I have so much to be thankful for.

To have a wonderful winter in Italy. I look forward to your full report when the work is finished next month. So happy that Akif is able to work again. Give him a special greeting for me.

Love
Jean
