Dear Sale.

It was frustrating to hear your voice so briefly yesterday but I gather you need money for the German who will come make the mold for the capital and also to buy steel rods and araldite. I therefore send this money order which should be easy for you to cash. \$2000.00

I'm delighted that you have found someone good to do the work that Dietmar was unqualified to do. You are the only person I know who plans ahead in Turkey and so that time and energy are not wasted. My children were beginning to think I should abandon Side completely as there have been so many frustrations, but as long as you will work with me on the Temple I shall persevere.

How nice that Bahar is having a baby. It's always best to do it soon after marriage. I'm glad that she is still able to be helpful to you on Pergé. Thank you too for the accounting. It came just in time for me to give to the man who prepares my Taxes.

This is a specially busy time for me as we just had the annual board meeting to pick this year's Alfred Friendly Press Fellows. They approved of Zeynep Ahumbar a lovely young woman who works for the Associated Press in Ankara. Thalia Donar was particularly interested in her and I'm delighted. Victoria and Tim and their 3 children are here with me and Jon came for two days. Last weekend I had Sirin Devrim Trainer and her husband as there was a Big American Turkish Association annual meeting. Jane Scott spoke on Sardis and Renan on Aphrodisias.

Then Anne Brown moved in for several days so I haven't had a moment to myself.

My plans now are to come to Turkey about April 25th and stay for 3 weeks. I have to get back here for the arrival of the Friendly Fellows May 25th and like to have a little time in England going and coming. Will you be back in Istanbul by then?

The report has not yet arrived but I look forward to seeing it and hope for some pictures as I would like to get out another news letter this spring. I've got to get this in the mail so must stop

Love
Jean
