Dear Tale,

I should have written to you long ago, but this has been a very busy winter for me. Our plans to return to Cremona next year are now well in hand. We have made an application, and hope to work, if all goes well, between 1 July and 20 August.

Adnan Şakar made a magnificent job of the map, which I have just received. (There was some delay in getting it from Turkey to England). I hope that you have been sent an ozalid copy by the British Institute in Ankara. If not, please write to me and I will arrange to send you one.

Here is a copy of my report to the Department of Antiquities on our last season, which explains briefly what we managed to do. There also are some appointments. I am particularly grateful to your help on Page & Side with the 'Archaeology in Asia Minor' piece.

I hope all is well with you, and look  
forward to seeing you before long.

With best wishes,

Yours ever,

Stephen Mitchell
