Dear Professor Inan,

The School voted yesterday to offer you a membership for next year. A formal offer will come from our Director. There should be no complications, but it would be best to wait until you have his letter before taking any further steps or informing others needlessly. I am writing now because last year the Director's letters did not go out until early in January. It seemed unreasonable to keep you waiting perhaps for another month. The Director's Office will handle all the details and provide the information a visiting member needs. You will have ample time to discuss any questions you may have.

The prospect of your being here gives me much pleasure, and I hope that you will find your stay here fruitful and pleasant.

Yours sincerely,

Frank Gilliam
