Dear Jean ,

Tomorrow I am going to leave for Rome. Before I go, I am writing this letter to you in hurry. The money order of 1000 dollars reached me just in time. I have changed the former cheque of thousand dollars and gave it to Zeynep in Turkish Lira's. If Bahar needs money for the moulds of the Architrav and other works Zeynep will send it to her. The new money order I will take with me to use it in Germany for the necessary material.

Stainless steels have been ordered from Germany. I have also sent a letter to Dr. L. von Planta in Switzerland, who has sent us last year Araldit. I asked him to send us also this year Araldit gratis. I have sent him a wonderful coloured photograph in the size of 30 x 40 cm of the restauration of the Apollo Temple, which he may use for the advertise of Araldit. It is one of the best coloured photographs I have ever done.

How is it with your health? I hope your hand is allright by time. I will be very glad if you can hear good news from you. My address in Rome is:

Deutsches Archaeologisches Institut
Via Sardegna 79
I - 00187 Rome
Tel: (396) 46 56 17 , 475 78 12 , 475 78 17

With my best wishes, and

with love
