Dear Jale:

For reasons connected with U.S. tax laws ~~and~~ and the special grant received from the Merrill Foundation, I must have from you--unbedingt--a report, no matter how preliminary, on the expenditures made in your work, from IFofS money, so far this year, ~~in~~ to reach me here by 15 September.

Could you break it down, please, between Seleukeia, Side, and the work on the re-erection of the temple fragments and give me not only the amounts spent but a few words--again, preliminary--on the nature of the work done. I must report on all of that to the Merrill Foundation.

Meantime, I enclose my check for 15,000 T.L. to pay the designer-archivist for the remaining five months of this year. Could you please ~~a~~ wait a couple of weeks before cashing it, to allow time for dollar deposits I am making to the Osmanli Bankasi in Antalya to clear.

Did you ever receive ~~the~~ ~~a~~ photo-copy of the map of Side I sent you in June? It was carried by a friend who mailed it in Istanbul, whence it was sent back to me in London. Bin verrücktes Postamt in Istanbul, wahrscheinlich. I remailed it from London and hope it turned out the way you wanted.

We have had a happy, although very hot summer here, during which I've been working on the book about Malazgirt. I shall probably not be coming back to Turkey this Fall--although Jean may come--but look forward to seeing you next Spring. I hope all has gone well with you and your work.

All best wishes from me and Jean.

As ever,
