OFFICE OF THE DIRECTOR  
PRINCETON, NEW JERSEY

5 December 1962

Dear Feza:

From T. D. I learn that you might welcome a year here next year. I hope that that is so; and when I have the word from you, I shall consult my colleagues and we will put our favorable thoughts on paper. It would seem to me just right that you come back again very soon.

With warm good wishes to you both,

Robert Oppenheimer
