Dear Professor Gurse:

It is a great pleasure to inform you officially that the Selection Committee for the 1986 Wigner Medal (consisting of R. Haag (Chairman), I. M. Gelfand, H.B.G. Casimir, Y. Ne'eman and E. P. Wigner) has chosen you as the Awardee for the Wigner Medal for 1986.

The Wigner Medal Ceremony will take place during the XV International Colloquium on Group Theoretical Methods in Physics. I was happy to hear that you would participate in this conference. The exact date of the Ceremony will be fixed in consultation with the organizers and I shall inform you as soon as I know.

It has become customary that the Awardee give a general talk of 30-60 minutes. Could I ask you to follow this tradition? I do not yet know the text of the inscription of your Medal. I will let you know probably in Summer.

With kindest personal regards,

Sincerely yours,

  
Arno Bohm
