ENCLOSURE

Dear Madam,

The original of your Will is in my possession, and I have deposited it in my private safe at the Holantse Bank. As a further precaution, however, I have prepared and send you herewith a true copy of your Will duly certified by me. There are cases in which a Solicitor's copy of a Will has been accepted by the Courts and Probate has been granted, if the original Will has been destroyed. If you think it advisable, you might arrange for the true copy enclosed herewith to be deposited with your Embassy in Ankara. This is the procedure which, in the present situation, I have adopted with regard to the Wills of British Subjects in my possession.

Yours faithfully,

W. J. Perkins
