Dear Jale,

Your letter and the book arrived simultaneously, yesterday. I was delighted to have the report on Side, and to hear about your marvellous trip. I am only afraid that this note may no longer find you in Princeton, but I am trying anyhow, on the off-chance, because I don't have your Turkish address.

I am so sorry we don't have a chance to get together again before you leave the U.S., but I am making plans to come to Turkey perhaps next Summer, and I shall certainly get in touch with you then.

It was a great pleasure and a great profit for me to meet you at the Institute, and I highly value our discussions on sculpture. Congratulations for finishing your book, and I can hardly wait to read it in print. You shall have a copy of mine as soon as it is out.

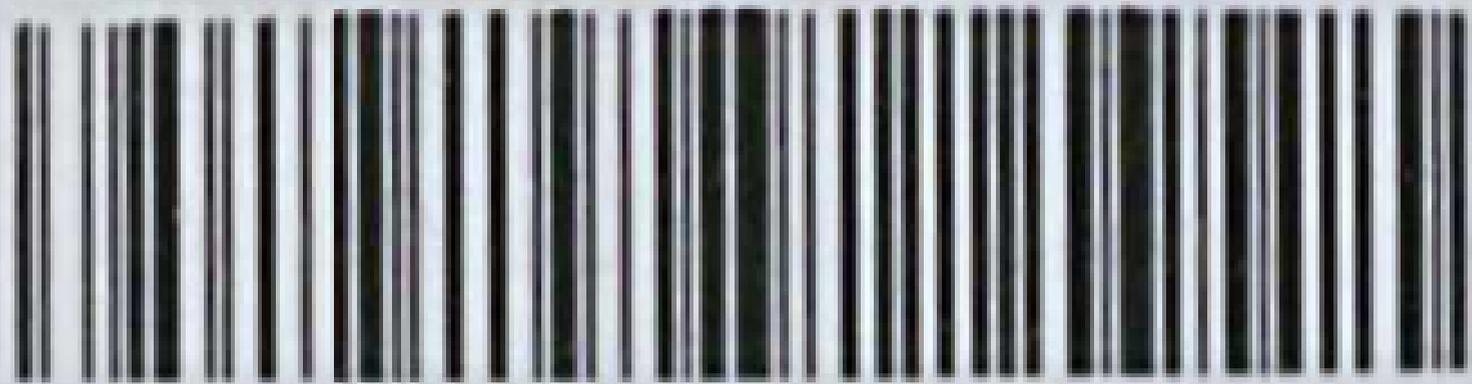

Many many thanks again for everything, and auf wiedersehen!

Yours,  
Brent
